

2021 **NEBRASKA** SUMMER RESEARCH PROGRAM

10 weeks. Research experience.
Scholarly community. Grad-school ready.

This intensive summer research experience provides mentoring and research experiences while allowing scholars to preview graduate school life. Students with a strong interest in graduate programs are particularly encouraged to apply as are those from populations traditionally underrepresented in graduate education.

- **Agricultural Sciences, Land Grant University**
- **Applied Unmanned Systems**
- **Beneficial Insects**
