

Nevada WaterReuse Association \$1,000 Scholarship

This year the Nevada WaterReuse Association, an organization of water professionals throughout the state, is providing undergraduate and graduate scholarships in the amount of \$1,000 to assist students attending a Nevada institution of higher education. Up to two (2) scholarships will be awarded to undergraduate students and up to five (5) scholarships will be awarded to graduate students.

Criteria:

- Scholarships will be awarded to undergraduate or graduate students attending a Nevada (southern or northern) university or community college.
- Qualified students must be pursuing a degree in a field related to water reuse and must have at least one remaining semester of classes following submission of their scholarship application (i.e., enrolled in Summer or Fall 2025 semesters).

Application Process:

Student applicants must submit the following:

- A completed Application Form
- Curriculum Vita that emphasizes work/research experience, extracurricular activities, student organization involvement, past awards, etc.
- Essay (see Scholarship Application Form for requirements)
- Unofficial Transcript

Deadline:

The 2025 application packet must be received by **Friday, November 28th**. Applications received after that date will not be considered. Applications must be received in electronic format.

Please attach all application documents to an email and send it to Raj Chavan at rchavan@ardurra.com or mailpvc@yahoo.com.
