

List of publications

Carl-Johan Haster

August 3, 2023

In this list I only include articles published in, or intended for publication in, peer-reviewed journals, and have therefore excluded e.g. conference proceedings. Manuscripts in this list which include “*ArXiv e-prints*” have all been submitted to peer-reviewed journals, but are currently in a pre-print stage.

I only list LIGO/Virgo/KAGRA collaboration papers to which I have made substantial direct contributions. In addition, through general contributions to the LIGO Scientific Collaboration, I am an author on 107 further LIGO/Virgo/KAGRA publications, which are not included below. My current h-index, as estimated through Inspire-HEP¹, is 89. My ORCID number is [0000-0001-8040-9807](https://orcid.org/0000-0001-8040-9807). My Google Scholar page can be found [here](#).
